

## Yùgándà

On est parti de notre confort  
Afin de nous rendre plus fort  
Afin de comprendre notre chance  
Que l'on a en France

Many adventures happened to us  
Many times we broke down but never gave up  
This will help us grow up even if we were sometimes down  
This will surely make us glorious

You taught us some words  
To communicate with your world  
Kopengo ? (Kope)  
Itya ni ngo ? (Atya ber)

Ecawa ni, amito kobi ni apuyo  
Because everything happened because of you  
Vos sourires sont nos cadeaux  
I love you
